"Broke" is a familiar word on Monday morning. Young men, especially, are apt to spend their wages for the week between Saturday afternoon and the beginning of the new week. If you will put aside even a small amount each week, putting it into the savings department of this bank, the word "Broke" will be banished from your vocabulary. It's worth thinking about. We pay 4 percent and compound the interest every 6 months.

## The Perryburg Banking Company.

—Will thou take her for thy "pard" for better or for worse to have, to hold, to fondly guard, till hauled off in a hearse? Wilt thou let her have her way, consult her many wishes, make the fires up every day, and help her with the dishes? Wilt thou give her all the "stuff" her little purse will pack, buy her a monkey boa and muff, a little seal skin sash? His face grew pale and blank, it was too late to jilt; as through the chapel door he passed he sadly said "I wilt."

—The Board of Public Service (Water Works Trustees) organized for 1912 by electing Dr. I. S. Bowers president. The board consists of Dr. I. S. Bowers, A. C. Fuller and Wm. Comstock. The services of R. R. Hartshorn as Secretary and George Moser as Superintendent, have been continued, as these men have taken more than ordinary interest in the performance of their duties. The department is in excellent condition in every way.

—An Indiana man who conducted a Meat Market, advertised that he would pay \$15 for 1910 Lincoln pennies. This caused many people to hustle for pennies and prices rose rapidly. Several sold for 50 cents each and one brought \$2, and about two hundred persons brought their pennies to the man who advertised. He informed each of them that their pennies were genuine but that they must bring 1910 more pennies before they could obtain the offered \$15. While many of the "suckers" took the joke good humoredly, some desired a fight with the Meat Market man.

They have at present about twenty of the best young men in town on their class roll, and desire to extend their most sincere help and acquaintance to any young man who wishes to join them in their efforts to make the coming year a successful one. Novel features are being planned for 1912.

—A contest between the young men and young lady classes of the M. E. Sunday school resulting in favor of the ladies, the young men banqueting the ladies in the parlors of the church Friday evening last. The entertainment was so well planned and so delightful in every way that it caused a suspicion that somebody's mothers had helped. Covers were laid for forty-four and the decorations were a delight and the spread a joy. Toastmaster Earl Marshall opened the festivities with a timely and humorous speech. Mr. Veitch, teacher of the class, spoke on Sunday school work and the importance of class organization. Mrs. Beulah Sarver, president of "The Anglers" and Mrs. Webster, teacher of the same class, both responded with short talks, and a number of other toasts followed. The S. S. orchestra furnished the music and joy reigned supreme. It is apparent these classes have taken on new life which will mean much to the Sunday school in the future.
